

## Artists in Alberta

### Go to an art gallery

It is fun to go  
to an art gallery.  
You can look at paintings,  
sculptures, photos  
and many other things.

Look at  
a piece of art.  
Do you like it?  
What do you see?

Look at the art from far away.  
Look at it close up too.

Find your favourite  
piece of art.  
Look at it  
for 5 minutes.  
Why do you like it?

Look! There are rocks, shells,  
and twigs around the painting.
