## Maritza goes to the pharmacy

Can you fill this prescription?

**1** Maritza gives her prescription to the pharmacist.

What is your address?

**2** The pharmacist asks some questions.

Put 3 drops in your ear 4 times a day.

**3** The prescription is ready. The pharmacist tells Maritza how to use the drops.

Will my ear feel better right away?

**4** Maritza asks questions. Then she goes home. She uses the ear drops for 7 days.

## Tips from pharmacists

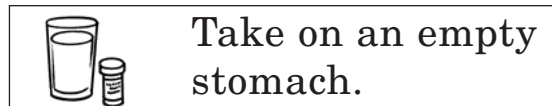

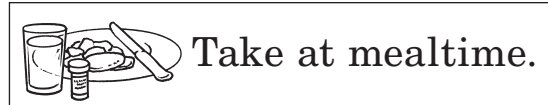

- ✓ Don't be afraid to ask questions.

- ✓ Don't share medicine with other people.

- ✓ Follow the directions.  
For example:

You can read about “Going to the doctor” at [www.englishexpress.ca](http://www.englishexpress.ca).  
Click on “Articles.” Then under “Choose a topic,” click on “Health.”
