

Going to the doctor

I want to make an appointment with Dr. Krinke.

 Maritza has an earache. She phones the doctor's office. She makes an appointment.

Maritza

What does the doctor do?

How long has your ear hurt?

Dr. Krinke

1 She asks Maritza some questions.

2 She checks Maritza's ears and mouth.

3 She feels Maritza's neck and listens to her chest.

Use the ear drops for 7 days.

4 Maritza has an ear infection. The doctor gives her a prescription for ear drops.
