

It is fun to play volleyball

Many students at our school like to play volleyball.

- ✓ We play in the school gym.
- ✓ We play at lunchtime and during breaks.

✓ We serve the ball.
We take turns.

✓ Each team
tries to hit
the volleyball
over the net.

✓ We set up the ball
so another player can
hit it over the net.

Why do we like to play volleyball?

"I like to play volleyball because I don't like to sit all the time. I like to move around. Volleyball is good exercise. I meet other people and talk to them." —Marek

"I played volleyball for the first time at school. I feel active when I play. It is very good for my health. I enjoy it." —Priti
