

## TO EXPLORE IN YOUR COMMUNITY

How can you make the CALP learning spaces, offices, and lobbies less formal, more inviting, and more casual?

---

---

---

Many Indigenous learners have a significantly different world view than Europeans. How could world view affect the relationship with learning for learners?

---

---

---

How can we adapt our teaching styles to help the learners we support?

---

---

---

What are community events, informal and formal, where it would be appropriate for us to participate?

---

---

---

How can we create informal connections within the community?
