

## TO EXPLORE IN YOUR COMMUNITY

Who are Elders and Knowledge Keepers in our community?

---

---

---

What makes an Elder an Elder in our community?

---

---

---

As one of the Elders we worked with pointed out, young people have specific knowledge of their community. Empower those young people to learn and teach where it is important. Who are the youth leaders in our learning space?

---

---

---

Each individual has skills that can be shared in your learning community. How can you use skill sets of students to work in your learning environment?

---

---

---

What are the protocols for working with each individual Elder?

---

---

Do you have debriefing and evaluation procedures for your Elders?

---

---

---

What does the Elder expect for thanks?

---

---

---

How are you supporting Elders in your community?
